# 1055 BUGLE

Issue<sup>®</sup> 4, April 2016

Chartered in 1906

"WOW" just when I was starting to get my head wrapped around being next year's Exalted Ruler, life threw all of us a real curve! As you might not be aware, Jimmy, our Club Manager, had a very bad heart attack. He was at the hospital when it happened so that was good; however, the doctors and staff had to work very hard just to save his life and he is in critical condition and likely to be in intensive care for a while. Please remember Jim and his family in your prayers. It is being set up for the Lodge to post current information on his status, as for the most part you won't be able to get in to see him in the hospital. Ed Aschenbrenner will be holding down the fort as Club Manager in the short term, and we will be calling on the members to help fill in the gaps. Jim is very much a key person in the Lodge and his shoes will be hard to fill.

There is much going on in the next several months so look over the calendar carefully; officer installation, Disabled Vets Winter Sports Clinic, Inaugural Ball, District Initiation, Spring Quarterly to name just a few. We also have all the regular stuff that goes on every month.

## Hoop Shoot News - State & Regional Finals

Here is an update since the last report in the Bulletin.

Phyllis and I with Alan Higgnbotham and Keegan Patterson and their families went to Salida to compete in the State Finals. We went to Salida on Friday afternoon where they had a Pizza Party for all the competitors and their families. There were 36 shooters representing the six districts in Colorado. Our shooters did very well at State; Alan took first place in his group and Keegan took third place. All of these kids are winners in this contest. Alan will go to the Regional Finals March 12th. The States involved in the Regional are Colorado, Kansas, Nebraska, and Wyoming. Regionals were held at Rock Canyon High School, Denver, Colorado.

I went to Regionals with Al and Kim Lenort and Donna Lay. Alan Higgonbotham placed fourth in his group. That was great since it has been awhile since our Lodge has been represented in the Regionals. I know we were proud of these guys and know their families were proud of them also. At the Regionals, there were a total of 24 shooters.

The State and Regional Finals were very organized and the competitors were treated very well; the kids in every group will remember this forever. If you ever get the chance to attend either of these competitions, you will be impressed. Both Alan and Keegan plan to compete in next year's Hoop Shoot Contest. Thank you to all the volunteers that helped me this year. We plan to have both our boys at the Scholarship Awards Banquet.

**Fred Pahlke (PDDGER), Longmont Elks Lodge Hoop Shoot Director**

## The Secretary's Corner

Because our Club Manager, Jim Shapard, is in the hospital and had tendered his resignation before his heart attack- Eddie Aschenbrenner, Leon Henry and myself will be handling the manager's job. Please be patient with us! Luckily, Leon and Eddie have been managers here so sharing of the duties will be a little easier. This is the time that we will need volunteers (many!) to help with the parties that have been booked, especially set up and clean up. Please call the Lodge and we can give you dates that parties are booked and what kind of help is needed. Thanks in advance for your help.

I would like to thank all the members who have paid their 2016/2017 dues! As you know, the way we pay our bills for the Lodge is through our dues money; any benefits/parties money is also generated for the Lodge. Our Budget Committee is hard at work estimating the 2016/27 budget and just how we will pay our bills, so it is very important that members who have not yet paid their dues, do so now. Remember, Life And Honorary Members pay \$63.50 and members pay \$103.50. In order to use the club facilities as of April 1st, you must be a paid-up member. If I am not in the Lodge, you can always give your dues money to the bartender and I will mail your membership card and door key card to you.

Thanks to Eddie, Leon and Buff for stepping up and providing a great St. Patrick's day dinner. Hopefully we can have more gatherings like that this coming year. As usual, this Lodge needs your support so be sure to check the calendar for upcoming events in which you would like to participate. Don't forget the Inaugural Ball on April 9th.

**Joanne Austin, Secretary**

PS. Have a problem with the Lodge? As secretary, you can call me any time and I will relay your message to the right person; house committee, trustees or the exalted ruler. Lodge phone is 303 776-1055 or my cell is 303 775-1146. We need your input.

## MEMBERSHIP INFORMATION

### Membership News

As the Elks New Year begins, I am happy to say a good start was made on recruiting last year. We're on a roll, let's keep it going. The Elks is a volunteer organization and everyone gravitates to projects that speak to them. Without a large membership, the same people do all the work all the time then they get burned out. The more members we have then the work can be spread out so that everyone looks forward to working together. Last year, I encouraged everyone to bring in one new member. Since you can't bring in 1.5 members this year I guess I just have to ask you to work on 2 members each this year.

**Elks Care - Elks Share**

## "Alone we can do so little, together we can do so much." – Helen Keller

This quote made me want to look back at what Lodge 1055 has done over the past few years ...

We support multiple military units deployed overseas, honor veterans with a yearly banquet, collect hides to be turned into gloves for wheelchair bound veterans; our members assist disabled veterans by transferring them from plane to plane for the Winter Sport Clinic in Aspen. We deliver food baskets for the needy and gifts for the kids of those families, celebrate the holidays with sing-alongs and gifts for every resident at a retirement home. We sponsor a Little League baseball team, Boy Scouts, Girl Scouts and the Young Marines. We host hoop shoot and soccer shoot contests and provide support for the Drug Awareness Program. We support developmentally disadvantaged children and adults at Laradon Hall and we provide support for youth via the Clem & Evelyn Audin Fund. We support special needs bowling leagues, Mountain States Children's Home, after prom programs and unwed mothers and their children. We give out thousands of dollars in scholarships each year ...

Let's get involved - together we can continue to show that Longmont Elks care & Longmont Elks share. **Lynn Dunn, PER**

### Veterans Committee

Last month, the Veterans Committee sent 30 packages overseas to American troops in harm's way. Our continued purchases of Red Shirts and timely donations of needed items enable us to continue these shipments. Thank you for your support!

The Veterans Committee has arranged to sell Rockies baseball tickets as a fundraiser. For every ticket we sell, the Veterans Committee will earn a minimum of \$5. Because this is our first year, we have a limited number of games available to us and our first transaction **MUST** consist of 25 or more tickets.

To ensure you get the requested tickets for the early games, please contact Mike Gallardo at 720-438-7219 or Leo Shults at 720-480-2774. Please leave a message if no one answers.

If we cannot sell 25 tickets by April 8th, we will not be able to sell any tickets at all. An idea presented by a distinguished member is to have an Elks Day at the Rockies...so, hopefully we can sell all 25 tickets at once... more on this later and flyers will be posted at the Lodge!!!!

**Mike Gallardo, Veterans Committee Chairman**

### Veterans Committee Military Ball

This is an early notice about the Military Ball, scheduled for May 21st.

6:30pm - Cocktails

7:00pm - Dinner (steak or chicken cordon bleu)

There will be a live band and a dance starting after dinner. The band is a very popular local favorite...Camillo DiSalle and the Prime Time Band. RSVP's will need to be in by May 16th. We need to support this dance...proceeds will go to renew the Veterans fund and supply items for troops overseas (AND to donate to HONOR FLIGHT)... helping to send WWII veterans to the World War II Memorial in Washington DC. In previous years, some thought this dance was only for veterans so attendance was down... **THIS DINNER and DANCE IS FOR ALL ELKS MEMBERS and their GUESTS!!!!** So, come on down and make this a success. Active duty service members and **VETERANS** of all branches benefit from our **PARTICIPATION!!!!!!**

### Cribbage Tournament News

We had a great turnout for Cribbage night on March 4th. We had twenty players- exactly five tables worth. It was wonderful that we had some of the players that had not been here for a while. I hope this continues for a long time. Everybody seemed to have a good time and especially the ones that won something. First place was a tie: Jolynn and Aron with no losses. Third place went to Donna and fourth place went to Ray. We look forward to seeing everyone on April 1st. That is April Fool's Day, so be aware of that.

**Fred Pahlke, Cribbage Loser**

### Hides Committee

A very heartfelt "thank you" to everyone who pitched in this year... A late contribution by Darrell Beck has pushed our Lodge's total to 33 hides donated this year. Disabled veterans who benefit from this program thank you!!! This is an awesome Lodge!!!!

**Mike Gallardo, Hides Coordinator**

## !!! Great Job "Quack Crew" !!!

Thanks to the Lodge worker bees as we again pulled off another spectacular evening with the Duck's Unlimited party, by far the biggest event we have all year. With over 25 of these hard workers of the Lodge we successfully completed serving the entire 275 guests under 25 minutes.

A huge thank you from the Lodge to Jim Shapard, Ed Aschenbrenner, Buff Conway, Leon & Swede Henry, Russ & Mary Diefenbach, Carl Byers, Mike & Shari Johnson, Gordon & Mickie Waggoner, Hank Swift, Karen Hicks, Matt & Kerri Strackbein, Jim & Wendy Aryes, Mike & Marsha Gallardo, Jerry & Mary Walker, Dave & Linda Donahue, Ken Miller, Lynn Dunn, Randy Wybornie. Thanks again to all that helped. Because of your efforts we continue to succeed.

## !!! Attention Members !!!

During the months of March, April, and possibly May the alley behind our Lodge will be under construction during the Downtown Longmont AlleyScape Project. Access to and from our parking lot will be limited to the Coffman St. side only. There will be a turnaround at the bottom of our 2nd & 3rd rows to allow for departing back on to Coffman St. The alleyway will also be restricted to foot traffic during this time. To access the ballroom you will need to come through the front door or enter off of 3rd Ave. As this is going on parking will also be somewhat limited but there is additional Elks parking on the West side of Coffman. Please be careful as to where you park in this lot as some of the spaces have been rented out to Ahlberg's and private individuals.

## Building Committee News

Summer is coming fast; we have been able to play some golf on Sundays, really had fun with all the members that played.

The Queen of Hearts game is going up and up- the pot is just over \$3300 as of March 24th. You should come down and try your luck at the draw. Maybe play a little indoor golf on Thursday night, (Leon's rules)! Sometimes we seem a little blotto, but we aren't. Some of us even seem RARA AVIS, but we really aren't that either. Thanks to all for letting me be a trustee for 14 years, it was a great experience. Good luck to Leon as the new trustee.

Blessings to all who serve in so many ways.

## Sickness & Distress

Leo Shults is recovering from his broken knee. Will be off crutches very soon!

JC Cummons had neck/back surgery in Boulder. He is currently at Mapleton Rehab in Boulder. Anyone who has gone through rehab knows how hard it can be so we all wish JC a speedy recovery.

Jim Shapard, our Club Manager, suffered a heart attack and is currently in ICU at LUH. As of March 20th, he's off the respirator and awake.

The Lodge is getting updates as available, so you can call the Lodge and we will relay any information we have on his condition.

Vern Peppler had successful heart valve surgery!  
Wonderful to see him at the Lodge so soon after his operation.

### Deceased

It is with great sadness that I report the death of our brother Duane Jensen.

Duane passed away February 25, 2016.

His virtues are written upon the tablets of love and memory.

Our thoughts and prayers go out to all and their family members.

Always feel free to call the Lodge for any updates of the members or to report any member that should be listed that we might not have known about.
