1055 BUGLE

Issue# 5, May 2016

Chartered in 1906

The Inaugural Ball was a great success and I have to feel humbled by the number of people that attended and awed by how beautiful it was. The decorations were great, the food and service outstanding. Thank You Every One, your work was supremely appreciated. On a sadder note Brad Reeves was injured in a auto accident with broken bones in his face and lots of bruises, his recovery seems likely, please keep him in your prayers. The May calendar has a variety of things going on so look it over carefully, along with the usual fair there is Derby Day, Mothers Day ceremony and brunch, The Military Ball (this is to honor the service persons and all are invited), and the Memorial Day cemetery visit. Please come and participate where you can. This is your club and the programs are for your benefit as well as for community service.

Membership News

Do you know someone who would like to be a member of the Best People on Earth? Elks Lodges bring so much more to their communities than just a building, golf course or pool. They are places where neighbors come together, families share meals, and children grow up. Elks invest in their communities through programs that help children grow up healthy and drug-free, by undertaking projects that address unmet need, and by honoring the service and sacrifice of our veterans. Talk to your friends and family - someone you know would probably love to be invited to join.

The Secretary's Corner

At this time and until a new manager is hired, Ed Aschenbrenner is our manager of Lodge #1055. Chairmen of committees: please make sure all plans for parties or activities are presented to Ed before going forth.

I always hate to harp about dues, but it is my job. Please pay your dues for the 2016-2017 year. Remember, life and honorary members' dues are \$63.50 and member dues are \$103.50. Associate member dues are \$35.00. If you are a member of another Lodge, and do not wish to become an associate member of Lodge #1055, our bartenders must ask you to sign our guest book. Please do that without moaning!! It is your choice, you made it and I hope after signing the book and ringing the bell to enter the Lodge numerous times, you will decide to support the Lodge you frequent on a daily or weekly basis. Also members of #1055, you know if you are delinquent, so please come in with money or check in hand so you don't put our bartenders in the position to refuse you service.

A new year, new officers, a new Trustee, new Exalted Ruler- if you have a problem with the Lodge, as secretary, you can call me any time and I will relay your message to the right person, house committee, trustees or the exalted ruler. Lodge phone is 303 776-1055 or my cell is 303 775-1146. We need your input.

!!! Attention Members !!!

The alley behind our Lodge is still under construction as part of the Downtown Longmont AlleyScape Project. Access to and from our parking lot will be limited to the Coffman St. side only. There will be a turnaround at the bottom of our 2nd & 3rd rows to allow for departing back on to Coffman St. The alleyway will also be restricted to foot traffic during this time. To access the ballroom you will need to come through the front door or enter off of 3rd Ave. As this is going on parking will also be somewhat limited but there is additional Elks parking on the West side of Coffman. Please be careful as to where you park in this lot as some of the spaces have been rented out to Ahlberg's and private individuals.

Cribbage Tournament News

We had a great tournament on April 1st, but we didn't have enough players. We had thirteen show up, so one of us had to drop out. After a coin toss, between Fred and Clayton, Clayton did not get to play. We enjoyed ourselves regardless of the things we said. We had some winners, three of them. Fred took 1st place, Ray took 2nd place, and Aron, as usual winner, took 3rd place. Now the weather is getting nicer maybe we can have more players show up. The next tournament will be on May 6th. Plan on it, and it will be great to have some of the gang here.

Thank you! Thank you!

Fred Pahlke, Cribbage Director

ENF - Elks National Foundation Thanks Longmont Lodge 1055

Because we made our per capita for the fraternal year 2015-2016, our Lodge qualified for the annual \$2000 Gratitude Grant. I am currently getting the application to ENF so we can use the funds to give back to our community. This year our plans include sponsoring our Little League Baseball team, purchasing car seats for the Genesis Program, assisting the Veterans Committee with care packages to deployed troops, supporting Mountain States Children's Home and providing startup funds for Art for the Heart, a community outreach program. Due to the support of our members we are able to give back to our community.

Please remember ENF - each year we reach the Grand Exalted Ruler's per capita (approximately \$4.65 per member), we qualify for the \$2000; if 10% of our members make a donation to ENF, we can get an additional \$500. It makes me proud to know Longmont Elks do care and do share with the community.

Lynn Dunn, ENF Co-chairperson

From the Bar

We sure have had some bad luck with some of our members. Our past manager Jim is doing better, he is retired now; Gary Marcantonio fell, did some damage to his arm, could have a long road to recovery; Brad rolled his jeep & is recovering; Eddie is recovering from medical problems; JC Cummons is recovering from surgery; Vern Pepler is doing good after his deal with his heart. Thank God they all will be alright.

We are all pulling together to help Eddie now. Thankfully Ed has been manager before, so he will do fine as interim manager!

P.S. Kelly would like to thank everyone for being so kind and noticing how clean the Lodge is & how every place smells clean. Thanks to all!

Willy, Becky, Vicky & Kelly

Building Committee News

Spring is falling down from the sky, trees in blooming snow falling, just Colo. Queen of Hearts is getting up there, over \$3800 as of April 15th; come down and take a chance, you may win. This fund is to help the building fund. Remember if your committee uses the Lodge for a base, PLEASE donate some of the funds you raise to the Lodge to help pay bills and up keep of our Lodge. Without the Lodge your committee would not be. Nice to see Jimmy back. Brad- our thoughts and prayers are with you, get better soon.

Thanks Willy for the beans and chili. Go girl.

Love & Kindness should always be in our minds & actions as ELK members.
Kenny M & Byron D

Sickness & Distress

Jim Shapard is recovering faster than anyone could have predicted. He attended the Inaugural Ball with members of his family; it was so nice to see all of them.

J.C. Cummons is finally at home, having home physical and occupational therapy during the week. It's been a long struggle but we all are looking forward to the day he comes back into the Lodge!!!

Ed Aschenbrenner has been dealing with a blood disorder and his wife Markey has also had health issues.

We heard from Carol Carter's friend Patty Clark; Carol was in a serious auto accident 2 months ago. She broke ribs and had neck and back injuries. She is in a rehab center in Scottsdale, AZ.

This will be a long haul for her but her recovery should be very good.

Herb Johns has broken his hip and as of today, (April 15) is still in the hospital.

Brad Reeves had an auto accident. Broken ribs and nose. He is at home, and the latest news was he recovering nicely.

Our thoughts and prayers go out to all and their family members.

Always feel free to call the Lodge for any updates of the members or to report any member that should be listed that we might not have known about.
